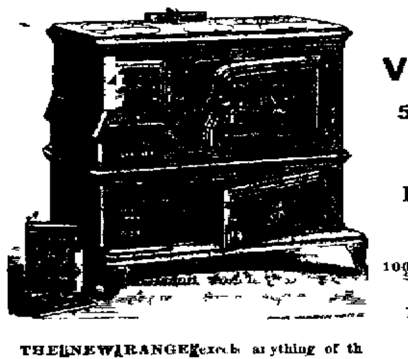
IMPROVED

PORTABLE RANGE.



THE NEW RANGE excels anything of the kind ever offered for sale It requires much less space than ordinary cooking stoves, and is more economical It will heat as much water as a range set in masonry

The HOT CLOSET retains the heat usually radiated from the bottom, which is, during the summer months WORSE THAN WASTED, thereby not only SAVING FUEL but making the KITCHEN MORE COMFORTABLE besides furnishing an admirable place for warming and keeping food warm, warming plates, &c The door can be removed during cold weather to allow the heat to escape into the kitchen.

Coals are separated from the ashes in the SIFTING CHAMBER

THE FOLDING SHELF, together with other improvements referred to, make it all we claim for it, viz THE MOST DESIRABLE COOKING APPARATUS TO BE FOUND ANYWHERE.

Professional Success.

DR H A BARROW'S practice in Bangor has been extremely successful He has restored several patients to sound and vigorous health, whose cases were considered incurable He continues to be confidently consulted as usual, at his private office, 18 Main Street, Bangor, Maine, in all those cases of diseases for the treatment of which he is so justly celebrated Hundreds are suffering from the effects of early indiscretion because they have not consulted the educated Physician who has made these diseases a specialty, and therefore endowed with every qualification for success, restoring the patients to health and strength

Dr Barrow's treatment during an attentive practice of many years is eminently successful in curing Nervous Mental and Physical Debility, Languor, Depression of Spirits, Painful Dreams, Loss of Appetite, Memory, &c His great experience, the high honors and testimonials he has received for his superior treatment of those diseases requiring skillful and confidential advice, enables him to ensure a safe and speedy cure

The Doctor particularly invites those patients whose cases have been neglected or pronounced incurable, to place themselves without delay under his care, assuring them that all that can be accomplished by science, skill, and the successful results of a long practice will be at their service.

He distinctly states that no case will be undertaken unless a permanent cure can be guaranteed All letters containing the usual consultation fee, $5, and fully describing the case, will be immediately attended to

These Bonds were issued under act of the Legislature for the purpose of assisting the "Arkansas Central Railway" in accordance with Section 6 of the Constitution of the State of Arkansas, which provides as follows "*The credit of the State or counties shall never be loaned for any purpose without the consent of the people thereof expressed through the ballot box*" which act was submitted to the people at the general election held in Nov 1868, and unanimously ratified by them The Legislature of the State has no power to grant any additional aid whatever, *consequently the debt of the State cannot be increased,* except by amending the Constitution through a vote of the whole people

As an additional security, these Bonds are guaranteed by the Arkansas Central Railway by special endorsement, recorded as a mortgage in every county through which the line passes, acting as a direct lien upon the property of the Company, its Real Estate, Rolling Stock and Franchises

THE REAL ISSUE

It is time that political shams were brushed away and that the People look squarely at the great issue which underlies the present political contest. The Greeley coalition thrust renegade Republicans forward to assert that the Democrats are converted and that the national policy for which we fought will be respected by its former enemies. We declare unequivocally that the purpose of the Democracy is to gain control of the Government that it may trample down the guarantees which protect the results of the war, restore the supremacy of the disloyal elements, saddle upon the People the payment of millions to pension rebel soldiers, if possible, to secure assumption of the whole rebel debt, and to pave the way to another and more formidable effort to destroy the Union.

These are startling charges, but how are they met? The flowery Tilton and voluble Lebroke smile patronizingly at the ignorance of their opponents and exultingly point to the Constitutional Amendments as presenting an invulnerable safeguard against any of these evils. But are they invulnerable? Mr Greeley is charged with favoring the payment of pensions to rebel soldiers and their families, and he has not dared to deny that he approves the project. The Constitutional Amendments, unfortunately, do not expressly prohibit such a measure. The Cincinnati platform declares for local self government with impartial suffrage, and unfortunately the Constitution does not expressly prohibit such action on the part of States as would, while nominally making no distinction of race or color, practically disfranchise the loyal black men of the South. Already several States under Democratic control propose to exclude colored men from the jury box, and it is notorious that there is every disposition to exclude them from the polls. Unprotected by Republican legislation the Constitution offers no barrier to the passage of such State laws as would practically rule out the loyal colored voters from all participation in public affairs, by an impartial restriction of the franchise to property holders of a certain amount, or by other qualifications [illegible] loyal element which was recently rescued from chattel bondage.

But more than this. Suppose the Constitutional Amendments to be ample in their force and scope—what has been enacted by State legislatures can be undone by the same agencies. Give the Democracy control of the majority of the States and how long would they hesitate before sweeping away the whole fabric of Republican enactments which they fought against unanimously in every Legislature of the Union? But there is even a swifter method than this, and ex Attorney General Black, with an imprudent boldness, reiterates in his recent letter the threat which has been sounded from every Democratic press and rostrum up to the hour when caution and hypocrisy became the watchwords of the coalition. He declares as Democrats everywhere and always have declared that the Amendments are frauds upon the spirit and letter of the Constitution, and that the reconstruction act is an infamous bill of attainder. With Greeley in the Executive chair controlled by Black and his associates, with a Taney or even a Chase at the head of the Supreme Court and power to pack the benches for a purpose, with Blair's indictment of 'revolutionary, null and void' echoed back as the dictum of the highest judicial tribunal, and with no loyal Congress to stand between the people and conspirators, the Democratic problem would be solved, the pyramid of twelve years' Republican achievement hurled from its base, the black men remanded to the despotism of caste, the Treasury thrown open to Southern traitors and the Lost Cause triumphantly regained.

Is this an extravagant picture? Democrats have always hitherto threatened its consummation, and even now while they palter over unmeaning phrases, they dare not pledge themselves unequivocally against such a purpose. Here in this District, the man put forward as a candidate for Congress and as an illustration of the conversion of the Democracy, has constantly and indelibly placed himself on record as repudiating the validity of all those Constitutional guarantees, in which Lebroke and Tilton find our only safety. Has Marcellus Emery recanted? We have not heard it, we have not seen it, we do not believe it. He is now asking the suffrages of the people for a position of public responsibility, and citizens would like to know just how sincere is his conversion. We challenge him to answer publicly and without evasion or equivocation, these important questions:

Do you recognize the absolute equality of all men before the law, without distinction of race or color, with equal privilege of testifying in Court and of serving upon juries?

Do you unreservedly acknowledge the validity, Constitutionality, and binding force of the 13th, 14th, and 15th Amendments to the Constitution of the United States?

Do you pledge yourself to maintain them in full force and operation, in letter and spirit, and to oppose any and all efforts to repudiate, annul, or invalidate their provisions?

Do you acknowledge the equal right of white and black citizens to the elective franchise in all the States, and do you pledge yourself to resist any attempt to prevent or abridge the free and full exercise of the right of suffrage by the colored men of the several States?

Do you pledge yourself to oppose any and every proposition for the payment by the national government of pensions to, or in behalf of, rebel soldiers or their relatives?

[illegible] utterly and irrevocably opposed to [illegible] the United States, under any circumstances, of any portion of the debt incurred by the people of the South in waging war against the Union?

Do you hold that the United States have the Constitutional authority to maintain the Union in its entirety and to suppress any attempt at secession, by coercion with the military power of the nation?

These are questions which an aspirant for Congress should be ready to answer promptly and plainly. We invite such a response, and hope that Mr Theodore Tilton, who is preaching in Maine concerning the miraculous conversion of the Democratic party, will carefully note the replies to this political catechism.

STRICKLAND ON TILTON

The New York Tribune publishes the following gushing tribute to Mrs. Woodhull's golden haired admirer, the apostle of Free Love and champion of Greeleyism, from Major Strickland of this city, to whom it refers as "one of the oldest, wealthiest, and most influential citizens of Bangor." It could hardly be made more emphatic by a bet of a thousand dollars."

Dear Sir—Understanding that you are the esteemed friend of Theodore Tilton, esq., of your city, and concluding that you would be pleased to ascertain from some source other than political partisan newspapers, how he acquitted himself before the great multitude who assembled to listen to his speech in Norombega Hall, on the evening of Monday, 22d ult., I drop you this note to give you the information. The Hon Edward Everett, Caleb Cushing, and Wendell Phillips, and other distinguished men and orators have been heard in that hall, but it was the universal sentiment that Mr. Tilton was not surpassed, if indeed he was equalled, by either of them. As an exponent of his appreciation I will repeat in substance what Abram Sanborn, esq., said of him:

"I have heard Mr Webster, Mr. Clay, our George Evans, and others of their great contemporaries, but I never listened to a speech that combined argument so compact and irresistible, with eloquence so high, poetical and inspiring. It was logic set on fire, and all ablaze by the electricity of genius."

He will long be remembered in Bangor and throughout Maine, by all who have heard him speak, as one who, in this crisis of the Republic, has spoken for God and his country. Very respectfully yours,

HASTINGS STRICKLAND.

Bangor Aug 2, 1872.

The portion of Tilton's address which elicited this enthusiasm is supposed to have been his eulogy of the abolitionists, his boast of having congratulated a thousand fugitive slaves on their escape, and his eloquent recital of his own participation in raising again over Sumter, the flag which traitors had torn down, and which loyal soldiers had restored.

"As to the administration of Gen Grant, I recognize no one as a Republican who is not grateful for its judicious energetic and successful efforts"—HORACE GREELEY

The Greeleyites, admonished by North Carolina, are already "hedging" on Maine. Notwithstanding the flattering promises made by "ex Governors Pillsbury and Kimball in the exhilarating atmosphere of the New York Greeley head quarters, the shrewder politicians are preparing for squalls in September. The Boston Post which has printed similar loud talk about Maine, now permits a correspondent to suggest the impolicy of raising "extravagant expectations," and to modestly remark.

If the Radical majority next month does not exceed ten thousand, we shall count it with the victories of the Greeley and Brown movement.

How about those campaign funds obtained in New York on a pledge to reimburse every dollar if Maine is not carried for Greeley? The prospect should induce a cold "sweat" among the Greeley State Committee.

PLAIN LANGUAGE. At a Greeley meeting held in Louisville, Ky, on the 2d ultimo, Gen Hodge, Democratic Elector for the State at large, announced that the Democratic party, in taking up with Greeley, had not surrendered its principles. "The graves," he said, "of the gallant Southern dead who sleep upon every hillside in the South, are reminders to me of the love for these principles which still lingers in my heart." He objected to Grant "because he was a Republican; because he is a member of that party which waged successfully the contest against my brethren of the South, whose orators kept the fires burning that filled the Federal ranks with soldiers." But the point of his remarks is here. Alluding to the report that the Democratic party were to have no share in the success of the coalition, he said: "Not only will Greeley not forget who has helped him to his position, but pledges—direct pledges—have been given us by him that we shall not be forgotten in case of success."—At the same meeting a Colonel Breckinridge said "I don't care a picayune for Horace Greeley or what he has said. He represents the dawn of a new era to us, an era that will restore us to power. Will that not be victory enough for us?"

OUR RALLY. The Boston Journal says "The Republican meeting in Bangor, Me., last Friday, proved a far greater demonstration than its projectors anticipated. It was designed only as a preliminary local gathering, but grew spontaneously into a grand outpouring of the Republican masses, aroused to the needs of the hour by the brag and bluster of the Bourbons over the defection of a few men hitherto connected with the party. The significance of this gathering, at a point where the coalitionists have expended their heaviest ammunition, cannot be over-estimated. It shows conclusively that the leaven of Greeleyism in Maine gives no new strength to the old copper head lump. The 'decoy' is understood."

HON. ROBERT C WINTHROP FOR GRANT. The following letter to Hon. John H. Clifford sets at rest another of the preposterous claims which have been made by the leaders of the Greeley Democratic party, to the support of their hybrid ticket by almost every man who has been distinguished in public life throughout the country

BROOKLINE, Mass., Aug. 9, 1872.

Dear Clifford—Yours of the 5th inst. was duly welcomed. Let me say a word in reply to its closing suggestion without delay.

When I accepted Mr Peabody's appointment as Chairman of the Trustees of the Southern Education Fund, I resolved to keep out of politics.

If Mr. Adams had been nominated, I should have been seriously tempted to reconsider my resolution. As it is, I shall adhere to it firmly, except so far as to give my vote for Gen. Grant. You and I will thus vote alike again, as we did in good old Whig times, and as we have not always done since.

I certainly cannot support Greeley and the coalition. I can see no safety for the country in their success. Neither reform nor reconciliation could result from so unnatural a combination, but only renewed discord and confusion.

I would most willingly have seen the reins in the hands of a ripe and experienced statesman like Mr Adams, but I shrink from helping to overturn the coach merely to get a new driver, and certainly a far less competent one.

This is the whole sum and substance of my politics. Beyond this I must positively decline to take any active or personal part of any sort in the conduct of a political campaign.

Yours ever sincerely,
ROBERT C. WINTHROP.

Hon J H Clifford.

"I venture to suggest that Gen Grant will be far better qualified for that momentous trust [of the presidency] in 1873 than he was in 1868."—HORACE GREELEY.

Which is right, Charles Sumner, who says the election of Greeley and Brown will be a Republican victory, or Gratz Brown, who says "the Republican party no longer exists?"

The Kentucky Sentinel is a Greeley paper. Alluding to what it supposed was a Democratic victory in North Carolina, it asks:—"How do you like 'the old rebel yell' she gave?"

KILPATRICK

The Bangor Whig is now wearing one of those $30,000 Kilpatrick suits, such as was last week ordered for the Bath Times, on account of the late *Chili* turn. It remains to be seen if any goose can be found to press these suits—[Portland Transcript.

If the Democracy can be persuaded to send General Kilpatrick on another tour through Maine, Perham's majority will be carried up easily to 25,000. That truculent "hero" made Republican converts wherever he retailed his slang, stale talk, or indulged in ribald abuse of the President.—[Boston Journal.

The morning subsequent to a speech delivered by Gen Kilpatrick in a Maine city, a lady who heard the speech remarked to a friend while riding on a stage coach "I have a husband and a son; both served in the Union armies, dissatisfied with the action of certain office-holders, they had agreed to support Mr. Greeley; but after listening to Kilpatrick's abusive harangue both declared their determination to continue to vote as they fought, and give their suffrages to Gen. Grant."—[Exchange.

The New York Tribune complains that there is a lack of Liberal speakers in Maine. Isn't this rough on the Bourbons who have made way for Tilton, Kilpatrick and Doolittle? But why not send back Kilpatrick? Democratic children cry for him, and Republican managers recognize his persuasive powers in making converts to Republicanism while doing his best for the coalition. By all means return the dashing raider to Maine.—[Boston Journal.

The Cleveland (Ohio) Ledger says: "Chas. O'Conor is spoken of and is said to have been determined on as the candidate of the straight Democrats for President. If this nomination is made at Louisville, September 3, there will be such a stampede of Democrats from the Greeley ticket that Horace won't know he is a candidate by election day!"

FROM WASHINGTON

ASSASSINATION [illegible] THE DESPERADO ARRESTED.

WASHINGTON, Aug 13. Sam'l W. Cheeseman of Maine who with his brother, James Cheeseman, had purchased an ice business in this city, was shot yesterday afternoon by a desperado named Barney Wood, who was formerly employed in the ice business here—Thirteen buckshot penetrated his groin and abdomen, inflicting probably fatal wounds. Wood escaped, declaring that he would never be taken alive, but he was subsequently arrested after firing a shot from his carbine at Lieut. Grassford of the police force who made the arrest. The latter shot did not take effect.

LENIENCY TOWARDS KU KLUX CONVICTS—PARDONS FOR SOME OF THE MISGUIDED RAIDERS.

NEW YORK, Aug 13. A Washington despatch says that Col. Whitely, chief of the secret service division, reports in favor of the pardon of Collins and seventeen others of the Ku Klux from South Carolina imprisoned at Albany. Collins was one of the persons for whom Gerritt Smith had interceded and is an illiterate, simple-minded man. Seventeen other cases are analogous to Collins's. Col Whitely reports against the pardon of Brown for whom recommendation was made by Mr Smith, but makes no recommendation in the remaining 46 cases. It is understood that those recommended for pardon will be released immediately.

He was then released. Geo W Hack of Baltimore was his bondsman.

GEN'L BUTLER AND THE GOVERNORSHIP—A SHARP THRUST AT HIS ADVERSARIES.

BOSTON, Aug 13. Gen. Butler in reply to a letter from John B. Alley asking him his purposes and views with regard to the next Governorship of Massachusetts, says: "In view of the importance of the national contest I shall not allow my name to be used in the canvass for Governor, in any manner to the detriment of the Republican cause. If one might look to political possibilities in the selection of candidates, it would seem to be well that the present incumbent of the office should be again put in nomination, because as he was selected in a great measure through the influence, advice and votes of Sumner, Banks, Bird, Beard, Robinson, Bowles, Davis, Sanborn and their peers, who have deserted the Republican party in its hour of need in the Presidential contest and joined themselves to its enemies, it is to be assumed that having apparently done nothing offensive to them he will again receive their votes for Governor, and if so insure his election."

SUMNER.

NEW YORK, Aug. 13. Senator Sumner is in town to-day, en route for Boston. He visited the "Liberal" headquarters. He declines to speak here, his health being anything but good. He has not promised to speak in Boston the trip being merely for his health. He will probably be unable to speak in Maine.

MASSACHUSETTS.

THE LYNN CRISPINS.

BOSTON, Aug. 13. The Lynn Crispins at a large meeting, last night, unanimously adopted the following:

Whereas, There is a disposition on the part of certain manufacturers, in this city of Lynn, to dictate unjust, illiberal, and to use a mild phrase, tyrannical terms to those in their employ, and—

Whereas, Our acceptance of such terms could only be made by a complete sacrifice of self-respect and personal independence.

Therefore, be it resolved by the Crispins of Lynn, in mass-meeting assembled, that, while we recognize the right of manufacturers to offer such terms as justice and regard for their own interests may seem to require, we also shall assert and maintain, at every cost and every hazard, our right to belong to, and participate in, any organization, social, industrial, religious, political, or beneficiary, which, in our judgement, is wise and proper. Any attempt on the part of any one to abridge or obstruct such right is a vile and indefensible interference with personal liberty.

UTAH.

THE METHODISTS—LYNCH LAW—GENTILES AND MORMONS—MINERALOGY.

SALT LAKE CITY, Aug. 12. The Rocky Mountain Conference of the Methodist Episcopal Church held its first session in this city, yesterday.

Among the arrivals here, to day, are members of the Imperial Society of Mineralogy and the Imperial Geographical Society of Russia, under the auspices of the Russian Government, to examine the mineral resources of the country.

THE CORRUPT JUDGE.

THE ARGUMENTS.

SARATOGA, Aug. 13. In the Barnard impeachment case, Mr. Stickney continued his argument for the prosecution, reviewing in severe terms the different acts by Judge Barnard in connection with the Susquehanna and other railways.

Mr. Beach followed for the respondent, claiming that the Court was not only not a proper legal Court, but a political and prejudiced one, but saying that no Court in that State dare condemn from political motives. He argued that no Judge should be deemed guilty of corruption simply because he had erred—a corrupt motive must be shown. The counsel entered at length into the discussion of the specific charges.

NORTH CAROLINA.

ALLEGED WHOLESALE POISONING—A STORY TO BE TAKEN WITH CAUTION.

NEW YORK, Aug 13. A Greensboro, N. C., dispatch says that a negro, named Jim Johnson, was arrested there yesterday for an attempt to poison a party of 26 persons, on the occasion of the Commencement of Rev Mr Fontaine's Female Academy, at Reidsville, on the 6th inst. Johnson, to avenge himself for a supposed grievance by Fontaine, poisoned the ice cream which he had been directed to freeze, and the entire supper party of 26, including many young ladies, were seized with poisonous symptoms. No one has yet died, but the physicians say that several will not recover. When arrested Johnson called upon the negroes to rescue him. The community threaten him with lynching.

ANOTHER "CONSERVATIVE" STORY.

THE GENEVA ARBITRATION.

NOT SETTLED YET.

Geneva, Aug. 13. The Board of Arbitration have not yet settled in the main the question whether the British government used due diligence to prevent the escape of the rebel cruisers. The court engaged in examining successively the cases of these vessels to ascertain how far the general charge of negligence on the part of Great Britain may hold good with regard to each. Sir Roundell Palmer and Mr. Cushing will return to Geneva to night. The sitting to-morrow will be protracted, and the proceedings of great interest.

WISCONSIN.

AN EXPLANATION ASKED.

MILWAUKIE, Wis., Aug. 13. The Chamber of Commerce has adopted a resolution urging the Chicago & North Western Railroad to promptly free itself from the charge that it is refusing to furnish transportation for grain from Milwaukie to Chicago, thus warranting the inference that the road is in collusion, or conspiring with a Chicago wheat corner.

SPAIN.

LIBERTY STILL DELAYED.

London, Aug. 13. A special from Madrid to the Times says that King Amadeus has not as reported signed a decree providing for a gradual abolition of slavery in Cuba and Porto Rico. The document which he has signed is simply a code of rules providing for the enforcement of the law passed by the Cortes in 1869, making preparations for the emancipation of slaves in Spanish colonies.

POLITICAL AND PERSONAL.

North Carolina is the first State that was claimed for Greeley that has gone for Grant. There are thirty-six more to hear from.

Rev. S. F. Smith, D. D., the well-known author of "America," has come out in favor of the re-election of President Grant.

One Mason H. Cummings writes to the N. Y. Tribune that he "fought for four years under the so-called rebel flag" and therefore he supports Greeley. Those who still talk of the "so-called rebel flag" generally support the man who favored secession.

Charles Francis Adams, Jr., has been talked of by some of the Republicans of the Second Massachusetts District as a candidate for Congress, but we understand that he will not permit the use of his name in that connection, though he favors the re-election of President Grant.

Presidential bets are the order of the day in Washington. Among the rest, a prominent citizen has agreed to sweep a crossing on Pennsylvania avenue for six hours, if H. G. is elected.

The New York Tribune has discovered a man who supports Greeley, "not because he will defeat Grant, but because of his eminent fitness." It is Henry S. Foote of Tennessee —he whom the Tribune was wont to call "Hangman" Foote.

That "wildfire that sweeps the prairies," about which the Greeleyites have been talking so much, has made its appearance. Indiana is full of it. Henry Wilson starts a fresh blaze wherever he goes.

The coalitionists who were in such ecstasy last week over the first reports from the North Carolina election can appreciate the feelings of the Irishman who tackled the bull and subsequently remarked: "It's a mighty foine thing I had my laugh first."

In a private letter to a friend in Washington, Wendell Phillips, writing from Boston under date of August 6, says: "I have already written for Grant as against Greeley, and shall take a more active part, for I feel what is at stake. Greeley is simply wax in the hands of traitors. How sad Sumner's act! I cannot understand it. It is the great mistake of his life—a terrible fall!"

Says the Chicago Post: "It is now understood that Farnsworth made a mistake.— He came out for Greeley under the pressure of the Ku-Klux news, "North Carolina for Greeley by 10,000 majority!" Now that it transpires that the majority is the other way, he is as anxious as Saul was, and is seriously contemplating denouncing his letter as a forgery. He declares that he loathes the document.

SUMNER'S INTENTIONS. Not without deep regret will those who have always stood by the side of Charles Sumner in the good fight of progressive freedom, now see him turn away. Nor, as they watch him recede from the line which his presence has inspired will they believe him any less sincere, or doubt the purity of his intention.—[Harper's Weekly.

Now Mr. Curtis may in the kindness of his heart and in a spirit of friendship express the opinion that the former friends of Mr. Sumner do not doubt the purity of his intention, but he will not find a very large number of Mr. Sumner's former personal adherents who will agree with him. The truth is, they do doubt the purity of Mr. Sumner's intentions, for they do not understand that a good motive induces him to glorify his old political opponents and malign his trustworthy friends. —[Boston Journal.

"The people of the United States know Gen. Grant—have known all about him since Donelson and Vicksburg; they do not know his slanderers, and do not care to know them."—HORACE GREELEY.

MEETING OF THE YOUNG MEN'S GRANT AND WILSON CLUB. The meeting at the "Wigwam" last evening was largely attended and very enthusiastic. The first business transacted was to change the constitution so that the President and Secretary of the Club will serve in the same capacity on the Executive Committee. V. A. Sprague, Esq., of Dexter, was called on, and gave an account of the political outlook in Dexter and Corinna. Senator Hamlin was called for and responded in an interesting speech, in which he discussed the statesmanship of Greeley, showing that his vacillating nature rendered him unfit for the office for which the Democratic party have placed him forward.—During the speech of Senator Hamlin the Aroostook delegation came in and were received with three hearty cheers. Stanley Plumer, Esq., was called on and made a very appropriate speech, refuting the slanders against President Grant. Mr. Foster, a colored man, was called on and gave a very flattering report of the position which the colored men of the city take in the coming contest. The meeting was very interesting and lacked nothing of the enthusiasm which is so characteristic of these gatherings at the headquarters. The next meeting will be held on Tuesday evening next.

THE COLORED MEN STAND TO THEIR FRIENDS. As the *Commercial* has made some boasts of securing colored voters to support the Greeley-Rebel ticket, we are requested by the undersigned colored voters of this city to state that they are each and all earnest in their support of the Republican party and the election of GRANT AND WILSON. We are informed that there are thirty-three colored men who vote in Bangor, of which twenty-six names are found below, while several who have not signed are also intending to vote the same ticket:

Pursuant to the published call, the Republicans of Penobscot County, by their delegates, assembled in Convention at the City Hall, on Tuesday, August 10th, at 10 o'clock, A. M.

At the appointed time the Convention was called to order by Chas. P. Brown, Esq., of Bangor, Chairman of the County Committee, who read the call and nominated Gen. H. M. Plaisted of Bangor as Temporary Chairman.

Gen. Plaisted on taking the chair thanked the Convention for the appointment, as he held it an honor to be considered worthy of filling any post of duty in the Republican ranks—an honor to be a Republican, a name which for twelve years has been a synonym for loyalty and patriotism. He compared the records of the two parties, and closed by saying that he had no doubt of the triumph of the Republicans in the coming elections, a sentiment which was loudly applauded.

Messrs. W. D. Eaton of Dexter and Lester Dwinel of Bangor, were chosen Secretaries, and on motion of Mr. Hersey, the following gentlemen were appointed Committee on Credentials:—Wm. R. Hersey of Lincoln, Sprague Adams of Bangor, S. W. McMahon of Eddington, George R. Thurlough of Newburgh and Newell Blake of Bangor. This committee having attended to their duties, reported through their chairman that fifty-one towns and plantations were represented in the Convention by two hundred and six delegates. The report was accepted and the committee discharged.

On motion of Mr. Harding, Messrs. E. A. Harding of Hampden, Elliot Walker of Newport, Ed. A. Perry of Bangor, David Stewart of Corinna and Sumner J. Chadbourne of Dixmont, were appointed a Committee on Resolutions.

On motion of Mr. Whitten, Messrs. Nathan Whitten of Etna, J. D. Warren of Bangor, H. W. Briggs of Hudson, J. W. Porter of Burlington and S. D. Brown of Milford, were chosen a Committee to nominate a County Committee for the ensuing year, and having attended to that duty reported the names of Newell Blake of Bangor, W. R. Hersey of Lincoln, D. F. Davis of Corinth, G. R. Thurlough of Newburg and Lewis Simpson of Dixmont. The report was accepted and the gentlemen above-named elected County Committee.

The Temporary Organization was made permanent.

On motion of J. H. Hilliard, Esq., of Oldtown, Hon. J. L. Smith of Oldtown, was renominated candidate for Senator by acclamation.

On motion of Newell Blake, Esq., of Bangor, Hon. John B. Foster of Bangor, was renominated candidate for Senator by acclamation.

On motion of C. P. Brown, Esq., Hon. John Kimball of Hermon, was renominated candidate for Senator by acclamation.

On motion of Mr. Blake, Messrs. Newell Blake of Bangor, George Cutler of Medway, George S. Comins of Eddington, M. M. Folsom of Oldtown and J. G. Clark of Bangor, were appointed a committee to receive, sort and count votes for a fourth candidate for Senator. They attended to their duty and reported the result of the ballot as follows:—

Whole number of votes,		157
Necessary for a choice,		79
C. Bachelder had	24	
Elliot Walker,	23	
Charles Shaw,	67	
John Morrison,	43	

There was consequently no choice. The names of Messrs. Walker and Bachelder were withdrawn, and the Convention proceeded to a second ballot with the following result:—

Whole number of votes,		176
Necessary for a choice,		89
Charles Shaw had	108	
John Morrison,	66	
C. Bachelder,	2	

And Hon. Charles Shaw of Dexter, was declared nominated.

On motion of Mr. Sprague, Messrs. M. Sprague of Dexter, John Treat of Enfield, J. C. Thorndike of Bangor, Wm. Goodwin of Corinth and M. G. RESOLUTIONS.

1.—*Resolved*, That the Republicans of Penobscot County, assembled by delegates in County Convention, need make no new annunciation of the political principles of the Republican party; it has no record which we could wish to erase, no memory of past action to obliterate. We point with a patriotic and honorable pride to the past history of our party, identified, as it is, with the great triumphs of human freedom and progress.

2.—*Resolved*, That we will continue with untiring energy our efforts to preserve and maintain the important results achieved during the past eleven years by our arms and by the benificent changes in our National Constitution and Laws.

3.—*Resolved*, That we most heartily and unitedly endorse the nomination of General U. S. Grant as President, and Hon. Henry Wilson as Vice-President, of the United States, and believe that their election is demanded for the maintenance of Republican Liberty and the security of our National credit.

4.—*Resolved*, That Hon. Sidney Perham, by his judicious and economical management of the affairs of our State, deserves our continued confidence and support, and we present him, and also the candidates nominated to-day, for the suffrages of their fellow-citizens, fully believing them to be true to the principles of the Republican party, and that they will prove to be honest, capable and faithful servants of the people, in the various offices for which they are nominated.

The report of the Committee was accepted with applause, and the Resolutions were unanimously adopted, after which the Convention adjourned *sine die*.

SUPREME JUDICIAL COURT.

AUGUST (CRIMINAL) TERM.

HON. R. P. TAPLEY, Justice, Presiding.
CHAS. P. STETSON, ESQ., County Attorney.
EZRA C. BRETT, ESQ., Clerk.

Tuesday, Aug. 13th.—The Court came in at 10 o'clock A. M., and proceedings opened with prayer by Rev. S. P. Fay, pastor of Hammond st. church.

The following Grand Jurors appeared and answered to their names:

Gilman Cram, Bangor, Foreman.
Abner S. Bailey, Howland.
Horace P. Bickford, Newburgh.
Charles M. Farnham, Edinburgh.
Benj. F. Hopkins, Carmel.
Ivory A. Hodgkins, Bangor.
Isaac J. Leballister, Greenfield.
John Martin, Dexter.
Lorenzo Moore, Oldtown.
Edson L. Oak, Garland.
Stinson Peaslee, Orono.
Amos Stevens, Etna.
Wm. Sanford, Bradford.
Daniel Sargent, 2d, Brewer.
W. L. F. Walker, Exeter.
John P. Webber, Hermon.

The Grand Jury retired, in charge of the County Attorney, for the purpose of attending to all matters which may come before them.

CIVIL TERM.

The Criminal Court having adjourned to afternoon, the Civil Term adjourned to this date was opened, and after hearing some motions, judgments were entered up, and the remainder of the forenoon occupied in "naturalizing" a number of foreigners. The Civil Term was then adjurned to Tuesday, Sept. 3.

The Grand Jury will be engaged during the week, and the Traverse Juries will be empaneled on Tuesday next. Half a dozen of the Traverse Jurors appeard this morning, having been misdirected by the Constables in their towns, who notified them to appear to-day instead of on Tuesday next, as directed in the *venires* issued by the Clerk of Courts, and the Court ordered that Constables so misdirecting jurors, be deprived of their fees for service.

BANGOR POLICE COURT.

BEFORE JUDGE CLARK.

Tuesday, Aug. 13. State vs. Elizabeth Clark; larceny of $65 from Edward Collins; ordered to furnish $200 bonds for appearance at the S. J. Court, and failing to obtain sureties was committed for trial.

State vs. Edward Guthrie and son of Brewer; assault; fined $25 and $15, respectively, with costs of prosecution.

The *Commercial* of Monday attempted to comfort its readers with some very stupid insinuations that Judge Kelley, of Pennsylvania, was inclined to favor the Greeley movement. Judge Kelley, in his letter on the present canvass, expressed the opinion of all thoughtful men in and out of politics when he says that Mr. Greeley, with Frank Blair on one side of him and Senator Fenton on the other, will be surrounded by the worst men in the country. Happily, the Presidency is beyond his reach, and so the country will be spared such a spectacle at the White House.

Gen. Banks is subjecting his reliability in the matter of political reconnoisance to an early and rather severe test. The N. Y. Herald reports of him:

Gen. Banks says the Liberal movement in Massachusetts is deep-seated and is developing great strength. He has received trustworthy information from Maine of the most encouraging character. He has no doubt that if the canvass be properly nursed by the Liberals, Maine will give a handsome majority for Greeley and Brown.

Having disposed of two such troublesome States so easily, the doughty warrior should have small difficulty with the rest. The General never was a pronounced success as a campaigner.

THE TROUBLE WITH SUMNER. In an article explanatory of Mr. Sumner's present peculiar position the Philadelphia American says: "If President Grant had yielded to the cabal that was early formed against his Cabinet, and made Mr. Sumner the successor of Mr. Fish, there would probably have been no Republican opposition to his administration, for Trumbull was too cautious to lead off, and Schurz had not the position to do so. But having found Mr. Fish to be an accomplished diplomat, Gen. Grant refused to give way. Mr. Sumner, while he was respected by the Republicans in Congress, for his abilities and his services against slavery, had not the confidence of any considerable portion of the members of either House as a practical man. They all knew that while his mind was bold, decisive and remarkably direct in its action, it was defective in the general elements that go to make up administrative or executive success. No measure he ever introduced into Congress, of a public nature, has ever become a law. In that simple fact we have the sueffiient reason why he would have been a shocking failure in the State Department upon which he had set his gaze."

"JOHN BROWN'S SOUL IS MARCHING ON." The Greeleyites, wishing to try another bait for the colored vote, after the failure of Sumner's letter, one of the leaders wrote to the son of "Old John Brown," and received the following reply, which was not just what they wanted:

PUT-IN BAY, Ottawa Co., O., Aug. 2, 1872.

My Dear Sir:—I have this moment received yours of the 1st instant. It is a matter of surprise to me that you could for a moment suppose that I am in favor of placing in power that party which every friend of liberty and equal rights has found it necessary to oppose with all his might these many years. If any other of my friends entertain such an opinion of me please do me the favor to correct the mistake. I am still, as I have ever been, faithful to Republican principles, and to the only party in the United States which it seems to me fairly represents them—the party whose standard bearers are Grant and Wilson.

Very truly yours, JOHN BROWN, JR.

TRUTH SLIPPING OUT. The North Carolina correspondent of the New York Tribune, addressing that paper before the recent election, wrote these remarkable and suggestive words:

"The Democrats of the South, if Horace Greeley is elected, will be the worst disappointed set of men you ever saw. I don't believe Mr. Greeley has sold out to them, as they think he has, and there's sure to be a fight unless these secessionists down here are allowed to manage him. You don't and can't know them as we do; but mind what I tell you, this whole country will be overrun with Ku-Klux within three months after Mr. Greeley's inauguration. Then if he undertakes to suppress disorder there this country never heard.

Observe, this confiding co

A LIE SWALLOWED. A sense of decen[illegible] awakened by public exposure has compelled a Greeley organ to say: "There proves to have been an error in the date of the recently published letter written by Gen. Grant to some New York gentlemen who presented him a handsome testimonial, the letter having been penned in February, 1866, instead of 1869.— This, of course, changes the aspect of the case, and relieves the President from the censure which should follow the reception of such a munificent present after he had been elected President."

NOT FOR GREELEY. A correspondent writes the Boston Journal:

"The statement of Toby Candor in his letter from Farmington, Me with regard to Hon. H. Belcher, is entirely incorrect. Mr. B. is, and has always been, a staunch and thorough going Republican has not in any way expressed himself as for Greeley, or against Grant, and never gave evidence of 'swinging round the circle' with Johnson."

NEW HAMPSHIRE. The Boston Traveller is assured by both Democrats and Republicans that there is but very little enthusiasm for Greeley in New Hampshire, and there is no hope among his supporters there of carrying the State. Many of the rank and file of the Democracy will quietly stay at home, while the disaffected Republicans can be counted by the fingers of the hand. Gen Tappan's influence will affect only his vote. Those in a position to judge declare that New Hampshire will give 3000 majority for Gen. Grant.

"The true prosperity and greatness of a nation is to be found in the elevation and education of its laborers."—PRESIDENT GRANT

WEBSTER
Pure Warm Air
FURNACE!
This new Furnace, having been THOROUGHLY TESTED, for the last five years, in New York, Massachusetts, Connecticut, New Hampshire and Vermont, and in this city the past winter, with the most flattering results, is now offered to the public of Bangor and vicinity with increased confidence in its merits.
THE ADVANTAGES OF THIS FURNACE
consist in its great radiating surface, whereby a large quantity of air is heated to a moderate degree of temperature, and delivered into the rooms with its vitality unimpaired.
Its Quickness of Operation.
A current of warm air issues almost immediately on starting or replenishing the fire, while in most other furnaces no warm air is obtained from them until the thick iron plates or brick walls enclosing them are themselves well heated. To heat a house of eight or ten rooms most furnaces consume from nine to twelve tons of coal, while the Webster Furnace, to do the same work needs only from four and a half to six and a half tons.
THEIR CONSTRUCTION
is such that the air is kept pure and not burned, and by means of a new patent double case, all the heated air is saved to warm the house above not a particle of it is wasted in the cellar or allowed to pass off in the smoke pipe.
Those in want of a first class furnace are respectfully invited to call and examine the WEBSTER, and hear what reliable men of this city say who have used them

CHICAGO, DANVILLE & VINCENNES

1st MORTGAGE BONDS.

Issue Only $18,500 per Mile.

THE ROAD NOW EARNING NET, NEARLY DOUBLE ITS ENTIRE INTEREST OBLIGATIONS.

THE LEADING POINTS IN RELATION TO THESE BONDS ARE AS FOLLOWS

The Stockholders have built a first class road and equipped it in a first class manner *mainly with their own money*

They have built their road through one of the richest portions of the State where all the old roads into Chicago are earning over $10 000 per mile per annum and are paying large and regular dividends

They have built the shortest road to the celebrated Block Coal Mines whose products have large and increasing market in Chicago in the manufacture of iron as well as for domestic uses.

The road is already earning so large an excess of its interest liability that its Bonds are safe beyond contingency

The amount of the mortgage is very moderate being only about $18 500 per mile

While Railroad Bonds may be plenty, those upon profitable lines and for so small an amount are seldom in the market

Over $1,200 000 of these Bonds have been sold in a few weeks to Trust Companies, Savings Banks trustees of estates and the most careful private investors and but a small amount remains for which early application should be made

That as only a small amount remains unsold parties who want them should make immediate application

The Bonds are for $1 000 each have forty years to run and bear interest at the rate of 7 per cent per annum payable on the first of April and October both principal and interest being payable in gold in New York

Price 90 and Accrued Interest

We do not hesitate to recommend these Bonds as unusually safe They are attended with none of the uncertainties of projected enterprises and the prompt payment of the interest and the final payment of the principal are as certain as any future financial event can well be

To the City Council.

The Directors of the E & N A Railway Company respectfully represent that the short space between the shore and the pier at west end of their railroad bridge across the Kenduskeag stream is not and they think can never be of any value for the public use and that it can be of no detriment to the public but on the contrary would add greatly to their safety and protection to have said space filled up It would also relieve the railway company from large yearly repairs of that part of their bridge and the City from like yearly repairs to maintain the side walks across said span

They therefore ask for liberty to wharf up said space leaving an orifice in the centre of the same ten feet wide for the ebb and flow of the tide which would keep the channel in said space washed [illegible] of any sediment deposit
